## NATIVE SONS PROTEST COUNTY DIVISION

### Pass Resolutions Strongly Opposing Petaluma's Persistent Plan.

The following resolutions against Petaluma's plot to divide Sonoma County and Sonoma Valley was adopted by Sonoma Parlor, N. S. G. W. last Monday evening:

Whereas: There is an attempt being made by certain designing persons residing in Petaluma and vicinity to bring about a division of imperial Sonoma County, and to create a new county, which would include a portion of the people of Sonoma valley, and

Whereas: Such division would be detrimental to the commercial, social and educational interests of Sonoma Valley,

Be it Resolved that Sonoma Parlor No. 111 N. S. G. W., embracing some one hundred members, residents of the valley, including many of its most prominent business men and agriculturists, is hereby conscientiously opposed to such division and furthermore, it is the expressed wish and desire of every member of Sonoma Parlor No. 111 N. S. G. W., that our matchless "Valley of the Moon" with its wealth of historic associations, its pioneer landmarks, its beauty and sentiment, remain as it is—undivided.

Unanimously adopted this 17th day of May, 1920.

Committee on Resolutions:  
Albert Groskopf,  
Jesse F. Prestwood,  
G. W. Mc Gill,  
J. I. Kiser,

## BOYS OF STATE HOME IN CHARGE OF WATER DEVELOPMENT

The members of the Board of Managers of the Sonoma State Home, Sunday paid a visit of inspection to the old Reynolds ranch, recently purchased by the State for its water supply, and were much interested in the development of a number of new springs of water which were located some time since.

The springs in question are yielding a fine supply of water and are apart from the main source of supply in the lake and creek. The development work is being carried out by a party of boy inmates from the Feeble Minded Home who have been diligently laboring for a number of weeks under competent direction. The opinion is expressed that these new springs will afford sufficient supply for irrigation and other purposes on the ranch without interfering in any way with the riparian rights of any of the land owners below.

It is understood that the work of construction of a pipe line to conduct some of the water from the ranch to the Home will not be started this year.

## ALL SHOULD RESPOND TO CEMETERY APPEAL

### Committee Named By Sonoma's Trustees Sends Letters Asking Aid For Much Needed Road.

The committee named by Sonoma's city trustees to direct a campaign for funds to build the long needed road in Mountain cemetery has met and worded a beautiful letter which will be sent out to all having loved ones asleep in the silent city. The letters cannot but make an appeal both from a sentimental point of view and because of the conceded necessity of the improvement. Most of these owning plots on the quiet inaccessible hillside will recall many sacrifices made by loved ones gone before and will where necessary make sacrifice themselves to aid this worthy movement of a road, out of respect to and in tender memory of the departed.

The committee having the road building matter in hand is composed of Mrs. Emparan, Messrs Dobbie, Batto, H. F. Bates, Tom Baines, R. P. Hill and Rev. I. Cookman. Remittances may be made to Mr. Fred Batto president of the First National Bank who will be custodian of all funds collected.

The letter to be mailed out is as follows:

## GREETING FROM MOUNTAIN CEMETERY

Sonoma, California.

To those whose memories still cling to the sacred spot where loved ones rest, the People of Sonoma and vicinity send greeting:

The day is again near at hand when the "living honor the dead" and Mountain Cemetery inaccessibly situated on the mountain side, will again be uppermost in the minds of all.

It is well known to all who have visited this cemetery, that it has no adequate driveway; that funerals are conducted with difficulty and danger; and that those attending must exert great physical effort, which in time of sorrow and affliction is indeed a trying hardship.

Many years have passed since the day when this cemetery was set aside and given in charge to the City Trustees of Sonoma, as a Free Cemetery for all the people of this Community; and in accepting this gift it became incumbent upon the community to do its share and construct a road to make the grounds accessible; but only a feeble attempt has been made to accomplish this end. To day a driveway is ABSOLUTELY INDISPENSABLE—it MUST be constructed.

Therefore, the city Trustees of Sonoma, the People interested co-operating, have Resolved and determined to carry into effect, that which has hitherto been only a dream!

Owing to the fact that no charge can be made for Lots in this cemetery and only small burial fees are exacted, no funds are available for road building; however, as there are upwards of a thousand graves and a very large proportion of the living relatives thereof will receive a copy of this letter—all of whom no doubt will heartily approve of the action taken, it is certain that the work will be completed.

A competent surveyor has gone over the ground and made a definite estimate and plan of the proposed road, showing a maximum grade of 8 per cent and the cost of this road will be less than \$5,000.

Assuming that there will be a number who cannot be reached by letter and a few whose circumstances will not permit the giving of their full share, there is still every reason to expect a fair average; for those who are able to subscribe more liberally, will surely share in this honor accordingly.

Will you kindly indicate on the form enclosed, the honor and respect you wish to share in this MONUMENT TO THE DEAD, and return your answer by early mail in the stamped envelope herewith?

## OLD GLORY IS TO BE HONORED WITH DANCE

### Native Sons of Golden West and Daughters Too, Promise Big Affair Next Month.

"Dance till reveille call" to Me Carthy's "jazziest jazz orchestra" is the attractive invitation being sent broadcast by the live wire committee of Native Sons arranging the Flag Day ball here for June 12th. All Native Sons and Daughters in the county and many from adjacent counties will accept invitations and it is predicted that Union Hall has never yet seen so many steppers as will step to the jazzy strains of the incomparable McCarthy and his gloom chasers at the Flag Day Ball.

The fair Native Daughters will be the gracious hostesses and assistants and are doing their share to make the dance a brilliant and a complete success.

Mr. and Mrs. Clark Gaines have resigned their positions at the State Home and gone to Lodi to reside.

Mrs. E. E. Bennett is a Seattle at the bedside of her mother who is past seventy years of age and critically ill. The Womans Club will give a dance on the night of July 3rd at the Club-house.

Father Michael Fahey, assistant pastor of St. Rose's Church of Petaluma, leaves in a few days for his old home in County Galway, Ireland, where he will visit his father.

Lodge of Elks has completed plans for the annual Flag Day exercises, which will be held at Elk's Hall on June 14. District Attorney Arthur M. Free, of Santa Clara County and past exalted ruler of the San Jose Elks, will deliver the address.

Adkins, a civil engineer employed with County Engineer Lloyd Aldrich, is lying in a critical condition at his home in Santa Rosa. Thursday he attempted suicide by slashing his wrists and stabbing himself over the heart with a knife.

Miss Maude Green, Sacramento teacher, well known here, was badly injured in an auto accident recently. While driving a car recently purchased, she turned out to let another auto pass. The accident resulted.

Reports from retailers in fifty-one cities, according to the U. S. Labor Bureau, show that in the thirty days dating from March 15 prices for twenty-two common articles of food advanced 5 per cent and reached the highest points on record.

## YOUR LIBERTY BOND

The United States Government borrowed money from you to finance the War. You hold the Government's promise to pay you back. This promise is called a Liberty Bond or Victory Note. On this Bond is stated the conditions under which the Government borrowed the money from you.

For instance: If you hold a Bond of the Third Liberty Loan, it states that on April 15th and October 15th of each year until maturity, you will receive interest on the amount you paid for the Bond. Other issues bear other rates of interest and other maturity dates, all of which are clearly stated on the Bond.

Now, if you keep your Bond until the date when the Government pays you in full for it, you do not need to worry if, in the meantime, the price is low one day or high the next. You and Uncle Sam are living up to your agreement with each other, and neither will lose by it.

On the other hand, if you sell your Liberty Bond, you will find that the man you sell it to will not give you a dollar for every dollar you paid for it. The price has been brought down because so many people are offering to sell their Bonds. If the market is flooded with tomatoes, you can buy them cheap, but if everyone is clamoring for tomatoes and there are few to be had, the price goes up. The same is true of Liberty Bonds. Short-sighted people are dumping them on the market, and wise ones are buying them.

The best advice that can be given to the owner of a Liberty Bond is this: Hold the bond you bought during the war; it is as safe and sound as the United States Government itself.

Mrs. E. Marti for many years of Sonoma Valley but now a resident of Petaluma suffered a serious fall at her home this week and as a result has been under the care of a doctor. Mrs. Marti is well along in years and her many friends trust that no serious complications will result from the accident.

**HAS IT EVER** occurred to you dear readers that Petaluma commentary and opinion on Sonoma county affairs and officials should be taken with a grain of salt or perhaps a ton. It is Petaluma's business just now to divide Sonoma county against itself and discredit its official family.

**THE SONOMA** county ministers have endorsed the recall of District Attorney Hoyle. If clean up-right citizens like Mr. Hoyle are to be discredited by uninformed persons it is time decent men tabooed public offices and left them to hypocrites and pretenders who will do the bidding of autocrats regardless of legality or justice.

**AND NOW COMES** the Petaluma Argus lugging in a well known resort proprietor of Sonoma Valley into the limelight to mix political mud. A cheap political trick Emmett done to a frazzle over here and you ought to be wise to it for it was pulled on your own Petaluma candidate for coroner and public administrator last election. It was peanut politics and far-fetched and ridiculous but it put an excellent man to a lot of unwarranted trouble and expense to expose the tricksters.

**"AND HERE IS** some more new county news" says the Petaluma Courier. Some people in the city of Sonoma, and of the resort section of the Sonoma valley, have sent word over here that they do not want to be left out. They have expressed it plainly that they want to be included in the new county and want educational meeting held over there. The matter will be considered by the Committee of 15 but it is not likely that the boundary lines will again be changed.

Major Petaluma, we fear for her Ophelia like ravings. But let her rave if it pleases her. Verily she whisteth through a graveyard where he buried her hopes of winning beauteous Sonoma valley. Muffle the drums. Let her whistle.

## PUREBRED BULL SALE PLANNED FOR SEPTEMBER

As a result of the recent dairy survey conducted by the Dairy Departments of the Sonoma and Marin County Farm Bureaus, nearly 150 dairymen have signified their desire to purchase purebred bulls. Over a hundred of these are in Sonoma county alone. In as much as this number of dairymen of Sonoma and Marin Counties have expressed their desire to purchase purebred bulls and as the securing of purebred sires to head the herds of these counties is a very important factor in developing the quality of the animals used on these dairies, the Sonoma and Marin County Farm Bureaus, through their Dairy Departments, propose to arrange and conduct a purebred dairy bull auction sale at Petaluma, September 18th, 19th, and 20th. In this way good individual sires of good breeding, from high producing dams, of service age, and guaranteed free from disease, will be brought practically to the ranches of the dairymen. Also they will be able to see just what they are getting and purchase the animals themselves. This latter advantage is very important in purchasing purebred stock.

A combined committee from Sonoma and Marin Counties, composed of A. B. Purvine of Two Rock, chairman; W. B. Hopkins of Petaluma, C. A. Le Baron of Valley Ford, S. G. Gambonini of Lakeville, and M. J. Pedrotti of San Rafael, met at Petaluma recently and drew up the following detailed plan for this sale:

In order that the sale should not be unduly rushed and that the animals may have assurance of bringing somewhere near their worth, only twenty-five animals will be entered in this sale.

The Sonoma and Marin County Farm Bureaus shall arrange for advertising and handling of all details with reference to the sale.

Any breeder or owner of registered bulls of dairy breed may consign to this sale by agreeing to conform to the rules established by the Farm Bureau, which are as follows: All bulls consigned shall be acceptable to the committee with the understanding that the general standard shall be that no bulls may be consigned to this sale whose dams have not a record of production of 400 pounds or over of butterfat a year. All bulls consigned must have accompanying them a certificate certifying that they are physically sound, free from disease, and are not reactors to tuberculin test. Bulls shall be consigned to arrive in Petaluma not later than the 15th of September and shall be on exhibition until the sale in order that the dairymen may have an opportunity of inspecting the animals carefully before bidding on them.

The Dairy Departments of the Sonoma and Marin County Farm Bureaus agree to conduct the sale in the most efficient manner and at the least cost possible, to arrange for auctioneer, advertising, and all details of the sale.

**KICKED BY HORSE AND SERIOUSLY INJURED**

M. Jacobson, son of a well known Buena Vista rancher was kicked in the stomach by a horse one day this week and seriously injured. He was taken to Crane's sanitarium where Dr. Hays called in Doctors Thomson and Grace in consultation. Later his condition became more alarming and Mare Island doctors came up to confer with the local surgeons. Young Jacobson had been employed at the Navy Yard.

He was helping his father at the ranch when the accident occurred. Peritonitis was feared as a result of the injury.

Mrs. Stickel leaves for Oregon very soon where she will visit her brother and other relatives.

## THE RIGHT KIND OF A CANDIDATE

In announcing his candidacy for the position of Superior Judge of Sonoma County, Rolfe L. Thompson says, "I merely submit my name and qualifications to the public for approval or disapproval." Even the phrasing of the announcement can serve as an unspoken qualification of fitness. Attorney Thompson is a lover of the law who possesses a reverence for its obligations. He has an independent private practice which is both interesting and satisfactory, and he has several times refused public office. But he admits that the judgeship is attractive to him now, just as "it is perfectly natural that every lawyer who loves the practice of law should aspire to finally round out his career by service on that bench."

This is the type of man who should sit on the judicial benches of California, who has been a lawyer long enough to have evolved a sound philosophy of the law and to have gained a knowledge of its limitations, but who is still young enough to retain his zest for action. Attorney Thompson's abstention from politics is one more qualification. He seeks without the hidden chains of bargains and political debts, and his decisions need not be swayed by the complaints of friends. He has both heart and mind, wisdom and intelligence. We need not ask more than this in choosing the Superior Judge of Sonoma County.—San Francisco Call and Post.

## THE GOLDEN BEAR

After two years the Golden Bear once more make its bow to the public with due apology for its previous non appearance. In one word the cause was the War. In 1918 all the time and energy the pupils and teachers had to spare was being devoted to knitting, and sewing and first-aid work, to producing and preserving and the Red Cross; all the money of the community was needed for bonds and the various relief funds; neither time, labor nor money could be expended on anything non-essential. In 1919 the cost of paper and printing was so high as to seem to us prohibitive. But by 1920 we had become used to high prices for everything and felt brave enough to venture into the field of high finance. Moreover, the activities of the school had so multiplied, and the scope of its work so increased as to render its need of larger quarters and better equipment imperative. It was felt that it must, at whatever cost, set before the people of the valley an account of its growth and activities and appeal to them for more moral and financial support.

The higher price of the book this year, seventy-five cents, is due to the increase in the cost of publishing and in the size of the book. This issue contains many more cuts and pages of reading matter than do any previous ones. And no annual published by any school gives so full an account of the work of the departments and organizations of the school as does this.

The cost of this issue is to be over \$300. Our advertisers pledged \$137 and the remainder must be obtained from the sale of copies.

Manager of Golden Bear.

## MIGHT HAVE BEEN A VIC-TIM OF DIAMOND ROBBERY

Mrs. F. F. Partridge, wife of the new owner of the Chevalier place in El Verano, had a narrow escape from the thrilling experience of being robbed by the diamond thieves who held up Mrs. Harry Harrington of Los Angeles and Mrs. Roberts of London recently at the Palace Hotel in San Francisco. Mrs. Partridge accompanied by Mrs. Barnett, wife of the sheriff of Alameda county, had lunched at the Palace with the victims of the robbery and were invited to accompany them to their apartments afterwards. Mrs. Partridge however decided on a shopping trip and with Mrs. Barnett left for uptown. The Palace guests had no sooner entered their apartments when a masked robber confronted them, tore off their diamonds, emptied their purses and locked them in the bath room, \$10,000 worth of gems were taken.

Mrs. Partridge who wears exceptionally handsome diamond earrings and rings believes the robbers had a confederate who watched the party of ladies dining, noted their valuable jewelry and determined to hold them up. She feels fortunate to have escaped the ordeal and loss.

The deal was consummated in San Francisco last Monday and by it the new owners come into possession of the bottling works at Boyes Springs and the right to bottle the famous water which is now well known all over the Pacific coast.

Mr. Kelly did some splendid boosting for Boyes water and the Sonoma valley during the many years he handled the product of our famous springs. He will continue to reside at Boyes with his family in the attractive bungalow which they own there. Jack will represent several famous beverages including the popular "Orange Crush."

The purchasers of Boyes water rights are headed by a woman, Mrs. Peterson, who controls the new company.

## HAD A RUNAWAY

John Yenni's son was painfully injured about the face and head this week when his team ran away and collided with a telephone pole near Schellville. Dr. Hays was summoned and while hastening to the Yenni ranch, met Yenni's brother and Howard Knight driving the fractious team. They almost had a second runaway. Dr. Hays treated Yenni for a lacerated scalp and lacerated lip.

## MRS. ELIZA SHEPARD HONORED AT SANTA BARBARA

During the recent convention at Santa Barbara, Mrs. Eliza Shepard sister of the late Jack London and superintendent of the London ranch at Glen Ellen was endorsed by the Woman's Relief Corps of California and Nevada for the national presidency of the organization. It was a signal honor for a woman of personal charm and capability but Mrs. Shepard had to decline because the position calls for travels throughout the United States and her many duties here made acceptance impossible. She had the pleasure, however, of placing in nomination Mrs. Miller of Southern California who was chosen for the high position.

## Safety first

FINANCIAL SAFETY is of vital interest to every prudent man and woman. Money put into a staple manufacturing business, with a constant and growing demand for the product, is well invested.

In profitable returns no business exceeds the Tire Industry. Look up the records of the older Tire Companies. Then consider the enormous saving of freight by manufacturing the Raw Rubber into tires at this Port of Entry instead of in the East. Add to this the saving in freight in finished product from the East here, then add the saving of interest on investment tied up in transit and you will

see the advantage of Coast Tires for Coast Buyers.

You can share in the generous profits of the Tire Industry and you can share in the savings effected. Permit us to tell you the tale of the Tire. Dollars judiciously invested now may be the nucleus of your future independence.

Send for illustrated literature today.

The contract for the construction of first factory unit has been signed and The Foundation Company, one of the largest construction companies in the world, has started operations.
